F. C. Talbot's Wife Granted Quick Divorce

New Action Involving Lumber Family Unsensational

It took but a half hour Monday morning to scuttle the marriage of one of the peninsula's richest men on the divorce rocks of San Mateo county superior court.

Mrs. Madge Talbot filed suit at 9:30 a. m. asking her freedom from Frederick C. Talbot of Hillsborough, lumber magnate. Simultaneously Talbot filed a denial of her charges of extreme cruelty At 10 o'clock Judge McNutt signed the interlocutory decree.

The divorce came as a complete surprise to peninsula society, which had just recovered from the sensation provided by the divorce fight of Talbot's fellow lumberman brother, William C. Talbot, and Marjorie Talbot.

DEATH INTERVENED

Death had ended this court battle several months ago. Mrs. Talbot was killed in an automobile accident near Ventura before the case had come up for hearing before Judge Cotton.

As a result of the suit heard today Mrs. Talbot, of 862 Chiltern [illegible]orough, won custody of the couple's only child, Frederick C. Talbot Jr., 17.

The suit revealed that the Talbots had separated September 19. They were married in Pennsylvania in 1915.

The charges were mild compared to the lurid accusations and counter-charges of the other Talbot divorce, which spread in legal documents stories of nude bathing parties and sensational triangle developments.

LOVE COOLED

Mrs. Frederick C. Talbot said that her husband had told her August 6 of this year that he did not love her, and since that time had remained away from home until late nights, refusing, upon his return, to tell her where he had been and growing angry when she asked him.

She charged her husband with being "surly, cruel and distant."

Judge McNutt also approved a property agreement between the pair. Details of the agreement were not revealed.

Both Frederick and William Talbot are sons of William H. Talbot, founder of the Pope & Talbot lumber company, who left an $8,492,467 estate when he died November 5, 1930.

Both sons' share of the estate was over a million dollars. Frederick Talbot paid $135,372 in inheritance taxes on his share of $1,487,220.

STUDENT OF NEW COOKING METHOD

Marjorie Stanley takes a peek into new Montgomery Ward pressure cooker to see what makes it possible to cook a whole meal in 15 minutes and perform other convenient cooking tricks. J. H. Neilson, the pressure cooking expert now visiting the city, says that there are many handy secrets to learn about pressure cooking and invites all housewives to attend the school which he is conducting at the Montgomery Ward store. The last session of the cooking school is today at 2 p.m.

James I of England ruled as James VI of Scotland before his ascension to the English throne.

The annual wage of a poet laureate of England is 97 pounds.

Robber Freed Here Captured In Texas Theft

Fred Gohmert, who drew a five-year suspended sentence here early this year on a charge of robbery, is once again back in the toils of the law.

San Antonio, Tex., police notified the sheriff's office here that they are holding Gohmert on charges of stealing two automobiles and of burglary. The police asked for further information on their prisoner.

Both the sheriff's office and Chief of Police James Reardon of Daly City were puzzled by mention in the letter from Chief of Police Owen W. Kilday of San Antonio that "Gohmert and an unknown companion are supposed to have held up and robbed the Bank of America at Daly City about three weeks ago."

Chief Reardon said that there have been no bank robberies at Daly City either three weeks ago, or at any other time, as far as he can remember.

Local authorities believe that the Texas police have confused the names of cities.

Gohmert was sentenced by Superior Judge A. R. Cotton for holding up a San Francisco taxicab driver in Hillsborough on January 6. At the time, after being arrested for being in possession of another stolen cab, Gohmert gave a new quirk to criminal procedure by identifying the cab driver as the man he had robbed before the driver had had a chance to identify Gohmert.

Juniors March In Safety Day Demonstration

400 Young Patrolmen Display 'Strength' In Parade Here

The affairs of state never weighed more heavily on President Roosevelt than did the duty of 400 junior traffic patrolmen when they met and marched in Redwood City Wednesday.

Stepping with a precision comparable to the goose-step of Hitler's famous Nazi troops, the young soldiers of safety circled the county courthouse while several hundred interested spectators, proud parents and satisfied instructors watched in complete approbation.

It was the county's first Safety Day, sponsored by the San Mateo County Board of Education.

The two uniformed drum and bugle corps of course provided the color for the parade, but they took their part in the march not a whit more seriously than did the other boys and girls from the nine school districts represented. It was only when the parade had finished and the youngsters had taken their seats in the Sequoia Theater that they gave vent to their enthusiasm and turned the spacious showhouse into a bedlam, born of a holiday from school.

But the parade itself was the thing.

Led by a Boy Scout color guard, accompanied by Police Chief C. L. Collins, the parade began on Middlefield road promptly at 10 o'clock.

Redwood City's junior traffic patrol, the host, enlisted the snappy white-uniformed McKinley School Drum and Bugle Corps to lead the march.

As they rounded the courthouse and halted in front of the reviewing stand on which sat city, county and school officials and honored guests, they gave a demonstration that surely compensated for any noisy days residents of the McKinley school neighborhood have suffered as the boys and girls practiced.

Dressed in white shirts and trousers or skirts, white shoes, blue overseas style caps, trimmed in yellow, and with yellow silk neckties, the 35 members of the corps presented a striking picture.

Redwood City's junior traffic patrol followed, then Ravenswood's, San Mateo's, Millbrae's, San Mateo girls', San Bruno's, Burlingame's, Visitacion's and Daly City's Our Lady of Perpetual Help school's.

Three units before the last was the nifty Burlingame drum and bugle corps.

Led by four baton-twirling drum majors, three of them girls, the corps did its best to outshine McKinley's unit, and as a result, those on the reviewing stand could only gasp at the rhythm, precision and nattiness shown as they went through a rolling, blaring drum and bugle drill.

In the theater which on appearance of Miss Pansy Jewett Abbott, county school superintendent, became hushed as quickly as it had become noisy, the youngsters were treated to moving pictures on the subject of traffic safety and a comedy through courtesy of Hal Honore, theater manager. This was following a brief organ concert by Robert Winborn and a short talk by Miss Abbott, in which she told the children she was "proud of you and your parade" and thanked a score of persons who had made the demonstration possible.

In charge of the parade was School Supt. Harry Hall of San Bruno, assisted by Dr. A. H. Nobbs, county traffic commission chairman; Mrs. Holbrook Bonney of Atherton, P.-T. A. safety chairman, and Henry Willey, district manager for the California State Automobile Association, sponsor of the patrol movement. Among the guests were C. C. Cottrell of San Francisco, manager of the association's public safety department, and Inspector Byron J. Getchell, patrol instructor in San Francisco. A San Francisco police announcer car, with Officer Ted Andrews at the microphone, announced the parade.

County's Loss By Fire Tenth Of Normal Year

Season's Success Held Due to Peninsula's New Stations

As fire prevention week entered its second day, Fire Warden Bert Werder revealed Monday that the county's record for blazes in the unincorporated district this year is excellent, with the county emerging from the forest and brush fire season with only about one-tenth the loss of a normal year.

The warden attributed the lack of serious fires to the efficiency of the fire suppression crews at Redwood City and La Honda summit, and to the effective enforcement of the fire permit system.

Werder estimated that fire loss in the unincorporated area to date, with the most dangerous part of the season passed, is 1-100 of the loss last year, when the Big Butano forest blaze wiped out thousands of acres of timberland.

"We're sitting pretty," the veteran warden declared, "unless dry east winds and low humidity that are sometimes common in late October and November bring fire troubles."

"We havn't lost an acre of timber area this year," Werder declared in summing up the year's results.

"On the coastside and in the back sections of the county, about five acres were burned, but other fires merely burned over grassy lands that would have had to be burned anyhow."

The suppression crews have been responsible for the prompt halting of fires which in other years would have grown to serious proportions, Werder declared.

The strict permit system has caused all burning in the county to be done under supervision, the warden said.

Werder announced plans for another suppression crew to be established at Pescadero this winter, with two men and a truck to be located there to take care of coastside fires.

The state's record as a whole is not as good as the county's, the California loss from forest and brush fires being about one-sixth the loss of a normal year, according to State Forester M. B. Pratt.

In the first hundred years of the United States, 653 treaties were made with 97 Indian tribes.

'BIG CITY' AT SEQUOIA THEATRE

Luise Rainer and Spencer Tracy will bring "Big City" to the Fox Sequoia Theater for a three-day engagement starting Sunday. "Dance, Charlie, Dance" will also be shown on this program.

Sagehorn Selected Kiwanis President

A. H. Sagehorn, San Mateo county treasurer and San Carlos city councilman, is the new president of the Redwood City Kiwanis Club, succeeding Max J. Leonard, county agricultural commissioner.

James P. Hagan was named vice president; James D. Hedge was reappointed secretary.

The program this noon consisted of the showing of a moving picture on salesmanship, "Main Street," by M. Jacobs, sales representative for the Coca Cola company. Andrew Spinas was chairman.

Airport Launch Bids Called October 15

MILLS FIELD, Oct. 6.—Bids for a launch that may save lives in the event of another accident such as the one which cost 11 lives when an airliner crashed in the bay off Mills Field in February will be received by San Francisco Purchaser Thomas A. Brooks October 15, he announced today.

Specifications call for a boat with a cabin, 18-inch draft and 275 horsepower motor.

That the San Francisco airport be equipped with such a launch was one of the recommendations that resulted from an inquiry into the tragedy.

Conditioned Air Featured In New Autos

CHICAGO, Oct. 7—Behind closed doors and carefully shielded from public gaze, the first automobiles in history using conditioned air systems for winter driving were previewed here Monday by the men who will present them to America.

Officials of the company declined to reveal the workings of the new conditioned air system, which, they declared, represents the first application of thermodynamics to the interior of an automobile.

The system, they claimed, is based upon entirely new principles of car ventilation and heating and establishes an entirely new conception of motoring comfort.

With the new system, it was revealed, it is possible to drive a car in below zero weather and yet maintain within the car an ever-changing supply of fresh, clean air at constant temperatures which are controllable by the driver.

A reversal of the present methods of car ventilation insures that there are no chilling draughts whatever to jeopardize the health and comfort of the occupants.

Twice Monthly Meets Set by Beauticians

The Peninsula Beauty Shop Association will meet twice monthly from now on, the second Monday of each month in San Mateo with President Paul Sipes in charge, and the fourth Monday at the Palo Alto Community House, with President F. W. Thompson of Redwood City presiding. Palo Alto, Burlingame, San Mateo and Redwood City beauty shops are represented in the organization.

MENLO PARK NEWS NOTES

Most Rev. John J. Mitty, archbishop of San Francisco, will officiate at a requiem mass at 9 a.m. Saturday in memory of the late beloved Rev. Mother Mary Agnes, mother superior of the Corpus Christi Monastery, Menlo Park. The mass will be celebrated in the chapel of the Dominican institution. Friends of the monastery are invited.

The regular meeting of Menlo Parlor No. 21, Native Daughters of the Golden West, was held in Masonic Hall Tuesday with Pres. Louise Murray presiding. The next meeting will be held October 19, with a social evening following a brief business session. All members are urged to attend.

Menlo Park American Legion Auxiliary, Unit No. 443, will meet in Legion Hall Tuesday evening, October 12. All committees and chairmen are urged to attend.

Mrs. Carroll A. Devol was hostess at the first meeting of the year for the Army and Navy Women's Club. The meeting was held Wednesday at her home, "Missoula," on Santa Cruz avenue.

Mrs. Marie Larrecou is a patient at French Hospital, San Francisco.

Menlo Park Parent-Teacher Association is sponsoring a paper drive next Monday. Anyone having old magazines or newspapers is urged to assist in the drive.

Children at Central school are enjoying new playground equipment which was installed this week. The new type merry-go-round is in great demand, as are the swings and slides.

Mrs. Carroll A. Devol is giving a card party at her home, "Missoula," for the benefit of the Veterans of Foreign Wars. The party will begin at 8:15 p.m. Saturday, and the public is invited to attend. Many fine prizes will be awarded the winners.

Paul Thomas visited his aunt and uncle, Mr. and Mrs. W. H. Weeden, this week. He has been on the "Lurline" for several years, and has had several advancements recently. The "Lurline" is staying in San Francisco for two weeks for a refurnishing and painting job, and will resume service to Honolulu at the end of that time.

William Wilson, who has been superintendent of the Menlo Park Circus Club for some time, has been appointed to a good position in the largest hotel in Santa Barbara, owned by R. S. O'Dell of Atherton. O'Dell owns a number of large hotels in the state, and is president of the Menlo Park Circus Club.

A son was born to Mr. and Mrs. D. M. Grove Saturday at Palo Alto Hospital. The couple are receiving congratulations from their many friends.

Palo Alto City Council has declared war on rats that now infest the area. Menlo Park town trustees some time ago adopted measures to rid the town of the rodents and a successful campaign was made to rid the community of the pests. It is possible many of the rats took refuge in Palo Alto.

The many friends of George Nunn will be pleased to learn that he is recovering from his recent illness.

Frank Gainer has returned from a deer hunt in Siskiyou county. He secured the limit of two. His friends in Menlo Park have been enjoying venison chops all week. Gainer is considered the best game hunter in the county.

Mr. and Mrs. George E. Angus returned last Saturday from a trip to Europe. They left here last summer to visit the birth places of each in Switzerland and Scotland. None of their childhood friends was there to greet them, as only a few were left of the older generation to welcome them home. Mr. and Mrs. Angus will open their pretty cottage on Oak Grove avenue.

Frank Love, former chief of the Menlo Park police force, died at his home on Middle avenue Sunday night following a brief illness. Burial was in the national cemetery at the Presidio of San Francisco Tuesday.

Mr. Love came to Camp Fremont with a company of soldiers from the Philippine Islands, where he had served in the regular army for three years and had become a sergeant. After the World War he returned to Menlo Park to live. He succeeded Thomas Furman as chief of police, and served three years.

Survivors include his wife and three daughters, Dorothy, Vivian and Lorraine.

District Attorney Deputy to Marry

Announcement that Burress Karmel of Burlingame, deputy here in the office of Dist. Atty. Gilbert D. Ferrell, soon would marry Miss Clara Steinsapir of Oakland, also an attorney, was made here Monday.

The engagement was formally announced at a luncheon at the Sir Francis Drake Hotel in San Francisco Saturday.

Miss Steinsapir, a graduate of the University of California and of Hastings Law School, is the daughter of David Steinsapir of Oakland and the late Mrs. Steinsapir. Karmel, who was graduated from Stanford in 1931 and later from Hastings, is the son of Mr. and Mrs. I. Karmel of Burlingame.

Date for the marriage has not been set.

A Three Days' Cough Is Your Danger Signal

No matter how many medicines you have tried for your cough, chest cold, or bronchial irritation, you can get relief now with Creomulsion. Serious trouble may be brewing and you cannot afford to take a chance with any remedy less potent than Creomulsion, which goes right to the seat of the trouble and aids nature to soothe and heal the inflamed mucous membranes and to loosen and expel the germ-laden phlegm.

Even if other remedies have failed, don't be discouraged, try Creomulsion. Your druggist is authorized to refund your money if you are not thoroughly satisfied with the benefits obtained from the very first bottle. Creomulsion is one word—not two, and it has no hyphen in it. Ask for it plainly, see that the name on the bottle is Creomulsion, and you'll get the genuine product and the relief you want. (Adv.)

Two Young Brides Seek Annulments

Two young brides sought annulment of their Reno marriages Monday in superior court, one because of asserted fraud, the other because she "did not consider the matter serious until after the marriage ceremony."

Verla Morgan of Menlo Park, 20, Palo Alto department store employe, was the girl who, according to her suit, did not appreciate the seriousness of marriage. Her husband, with whom she has never lived, is Martin L. Morgan, 21, Richmond mechanic.

The other dissatisfied bride is Jacqueline Corbett, who seeks annulment on the grounds that Albert W. Corbett, whom she married in 1933, told her falsely he made $200 a month and owned property in San Mateo county where he planned to build her a home.

The average enlisted strength of the United States Navy is 88,000.

Morning Supervisor Meets Again Asked

San Mateo county newspaper publishers, meeting at the Marine View Tavern in Moss Beach, Monday night reiterated their plea to the board of supervisors to change their meeting times to morning instead of afternoon so that newspaper readers might have a report of the meetings the day they occur.

Should the board still be unwilling to change to morning sessions, the publishers urged them to meet Tuesday afternoon instead of Wednesday in order to give the weekly newspapers a better opportunity to give coverage to the sessions.

Next meeting of the publishers will be held somewhere in the southern end of the county, with Santa Clara county newspapermen attending.

Maine sells about 35,000 fishing licenses annually to persons from other states.

Domingo Caballero Dies at Home Here

Last rites were held at the Layng & Tinney parlors Monday morning for Domingo Caballero, who died Saturday at his home on Redwood avenue. Although native of Spain, Caballero had lived here six years.

Surviving relatives include two daughters, Mrs. Catherine Rodriguez of Redwood City and Mrs. Anna Marino of Woodland, and three sons, Salvador, Domingo and Mike Caballero, all of Redwood City.

Following the funeral, the body was sent to the Suisun-Fairfield Cemetery for interment.

COASTSIDE TEACHER HURT

MOSS BEACH, Oct. 5. — Miss Jane Sonderup, teacher in the Moss Beach School, was in French Hospital in San Francisco today suffering from head and knee injuries incurred yesterday in an automobile-truck collision.

Thirty-two Rhodes scholarships are assigned annually to American youths.

The Wateler peace prize, consisting of about 25,000 Dutch florins, is awarded annually.

The University of Mexico was founded in 1553 by the Roman Catholic Church.

The Orkneys and other Scottish islands are to be linked to the mainland by radio telephone.

Council Argues But Agreement Is Not Reached

Election Date Is Fixed But Policies Remain Undetermined

Some indication of the lines along which the coming power election will be fought in Redwood City was given at the city council meeting Monday night.

On the setting of the election for November 2, all councilmen were agreed. As a consequence, unanimous passage was given the ordinance designating that day as date for the election on the issuing of $575,000 in general obligation bonds to finance acquisition of the Pacific Gas and Electric Company's system here or to build a competing system.

But although there was no dissension on this question, there was on two others.

WOULD WARN EMPLOYES

The first question was brought up by Councilman Evans A. Fletcher, and provoked an argument over whether or not the coming election was to be classified as one involving "politics" or "economics."

Fletcher, anti-power plan councilman, pointed out that under the city charter, city employes would not be permitted "to take too active a part either for or against the proposition."

"But this is not a question of politics," came back Mayor Paul A. McCarthy, leader in the move to put the city into municipal distribution of power. "This is a matter solely of economics."

The mayor's stand was upheld vigorously by Councilman Robert N. Jones, but Councilman James M. Eva sided with Fletcher, his cohort on the question.

'IF VOTE, IS POLITICS'

"I think it would be a violation of the charter for city employes to work on the election," Eva averred. "If a question comes to a vote, it is a political question."

"Why, this is no more politics than was the harbor bond election, or the 1915 act bond election," countered Mayor McCarthy.

Without deciding anything, the council got onto another phase of the power question when Mayor McCarthy offered for passage a resolution he had prepared declaring a policy in regard to two matters:

1. That in event the power system is acquired, the city will "give preference to persons now employed in Pacific Gas and Electric Company's Redwood City division for the operation of the municipal system, if such persons are disemployed by reason thereof, or are willing to be employed by Redwood City."

2. That rates for electricity would "be reduced approximately 10 per cent below present rates, beginning not later than one year from the commencement of such public operation of such system."

'TO REFUTE RUMORS'

McCarthy explained that the resolution was "to refute the rumor that if the utility is taken over, it will be run by the present fire chief." The mayor said City Manager C. L. Dimmitt, who would do the hiring of employes for the power utility, was in accord with the proposed resolution.

At this point, Councilman Eva again brought up the question of the city charter.

"Would we not be violating the charter by telling the city manager whom he could hire?" he inquired.

"No, I don't believe so," Mayor McCarthy answered. "We are not suggesting any one person. We are only declaring it as a policy."

Eva pointed out that under the charter, such a declaration "would mean absolutely nothing" inasmuch as the city manager "doesn't have to employ the P. G. & E. men if he doesn't want them."

When other councilmen took up the question of rates and asserted that the council shouldn't commit itself when it didn't know now just how much it was to make on the system, it was informally agreed to let the entire matter drop—at least, no one offered to introduce the resolution, and nothing was done about it.

Honor for First Ship Here Planned

When the first commercial ship docks at Port Redwood City, it will be presented with a plaque from the city and the board of port commissioners to commemorate the event.

This was decided Tuesday at a routine meeting of the board with Port Manager Walter F. Murphy, who was authorized to make the award, which will probably be given to the Hammond Lumber Company ship expected here October 23.

Murphy and City Manager C. L. Dimmitt were named to secure erection of a painted, illuminated sign at the harbor entrance off the Bayshore highway. Commissioner John McCarthy presided in the absence of Pres. E. B. Hinman.

Many Injured Over Weekend In Car Crashes

Belmont Boy Seriously Hurt As Automobile, Bicycle Collide

Heavy week-end traffic left a sorry wake of pain as well as property damage on the peninsula.

The most serious accident brought William Takahashi, 10, of Belmont, critical injuries. He suffered a fractured skull and other hurts when his bicycle collided late Saturday on El Camino Real in Belmont with a machine driven by Mrs. J. A. Gereghty, 1329 James avenue, Redwood City.

The boy is the son of A. Takahashi, Burlingame cleaner and dyer. Community Hospital attaches said the boy's condition is "serious."

4 S. F. PEOPLE HURT

Four San Franciscans were injured, one of them seriously, when the car driven by Andrew Kurley crashed into a bank on Kings Mountain road late Sunday. Kurley escaped with severe cuts, while his passengers, Joseph Lehner, 56, incurred a fractured ankle and internal injuries; Mrs. Joseph Lehner, 56, knee injury and cuts; and Agnes Lehner, 17, scalp gashes.

The injured were treated by Dr. Harry Mason at the scene of the accident, taken by ambulance to San Francisco.

Three Mountain View motorists were injured, not seriously, Sunday evening when a front tire on their machine blew out, sending their car crashing into the guardrail of the underpass on Bayshore highway, just north of East Palo Alto.

Injured were the driver, Adele C. Paulding, 47; Fred Ware, 21, and Homer Ware, about 22.

MOTORIST FAINTS

Mrs. Louis Le Maitre, 50, of San Francisco, was slightly hurt Sunday afternoon when her husband, driving their car near the Upper Spring Valley dam, on Skyline boulevard, apparently fainted, and the car plunged out of control through a fence.

Johnson Attends U. S. Beach Parley

Giles B. Johnson, former county rights-of-way agent, represented San Mateo county at the late August meeting of the American Shore and Beach Preservation Association that met at Chicago, he reported today from Dowagiac, Mich., where he is staying temporarily. Johnson is vice president of the coastside chamber of commerce.

San Mateo Is Sued Over Station Permit

Harry W. Regan brought into superior court Tuesday one of the most hotly waged property battles that has disturbed the City of San Mateo's official equanimity in many years.

Regan filed suit here asking Superior Judge A. R. Cotton to grant him a writ of mandate compelling the San Mateo City Council to give him the permit they denied him September 20 for construction of a service station on the corner of El Camino Real and Third avenue.

The hearing on the writ will come before Judge Cotton October 18 at 1:30 p.m.

Regan's suit, filed through Atty. Carl W. Anderson of Burlingame, charged that the councilmen had already made up their minds to deny the permit before the September 20 session, and, accordingly, did not hold a hearing on the issue, although there were opponents and proponents present who were desirous of a hearing.

New 'Official' Band Plans Benefit Ball

Acceptance of city sponsorship was voted unamiously Tuesday by the new Redwood City Municipal Band, which met with Director R. Lee Otis.

Clifton Woodhams was named chairman of activities to arrange a dance early in November in order to raise funds for uniforms. The band plans to join with the New Year's Day parade at the annual Shrine East-West football game in San Francisco, if uniforms can be procured by that time, Otis said.

The next band concert will be given this coming Sunday afternoon at the San Carlos Firehouse, where the city firemen are to celebrate with drills Fire Prevention Week. The band will play from 1:30 to 3 p.m.

A rehearsal has been called for Friday night at 7:45 o'clock, Otis emphasized continued need for clarinets and urged all those who play any instruments to join the band.

New Ordinance Proposed Here

The perennial question of forcing retail stores in Redwood City to close on Sundays and holidays and to remain open week days only between 8 a.m. and 6 p.m. was before the city council again today.

A proposed ordinance putting such regulations in effect was presented to the council Monday by Atty. Charles T. Benjamin of San Bruno, who said he represented retail clerks.

The ordinance, which the attorney said closely resembled one in effect at San Mateo, was referred to City Atty. Albert Mansfield for an opinion as to its legality. The opinion was requested for the next meeting, October 18.

Under terms of the proposed municipal law, stores would be closed on New Year's Day, Washington's Birthday, Memorial Day, Independence Day, Labor Day, Thanksgiving and Christmas, in addition to the night hours between 6 p.m. and 8 a.m. and Sundays.

The question of Armistice Day closing this year came up later in the evening when Floyd Granger, local veterans' organization official, asked the council to endorse a movement to have all stores to close.

★ ★ ★

GRANT & HOFFMAN WIN HILLVIEW AVENUE JOB

On their low bid, Grant & Hoffman were granted a contract for paving of Hillview avenue between Hopkins and Brewster. Their bid totaled $3992.56. Other bids opened at the meeting included W. O. Tyson, $4107.59; Piazza & Huntley, $4141.34; H. L. Sanders, $4432.25; Palo Alto Road Materials Company, $4743.57. The engineer's bid was approximately $4300.

★ ★ ★

Other council news:

Delayed action on two letters without reading them, one being from the Volunteer Veterans Firemen Association and one from Mrs. A. D. Walsh regarding tenants in a house she owns at 441 Fulton street.

Referred to the planning commission request of Sam Dietrich for a permit to erect a service station on the northeast corner of El Camino Real and Hopkins street, on Southern Pacific property.

Decided to pay $7.50 each for quitclaim deeds on 72 lots held by Northern Counties Security Company on which there are at present $8484.71 delinquent bond payments and city and county taxes due. Appraised value of the properties is only some $3000, 1915 Act Bond Committee Chairman Eva reported, but the $7.50 per lot is comparable to the price of foreclosures and much less trouble, it was explained.

Directed Police Chief Collins, on suggestion of Councilman Fletcher, to install a "Stop, Right Turn, Go" sign on the Musso Drug Store corner at El Camino Real and Broadway.

Granted permission to Post 105, American Legion, to hold an Armistice ball November 6 in Foresters' Hall.

Decided on suggestion of Legionnaire Floyd Granger to urge merchants to close on Armistice Day.

Referred to City Manager Dimmitt request of R. D. Morris that provision be made to care for Emerald Lake flood waters.

Granted Contractor W. O. Tyson an additional 30 days—to November 20—to finish secondary construction work at Port Redwood City, the delay being made necessary, according to the contractor, by the same factors which caused the Healy-Tibbitts Construction Company's work to be delayed.

Referred to Port Manager Murphy the suggestion contained in a letter from F. J. Furnivall that funds saved from the Harbor Opening Festival be used to give a dinner and theater party to the captain and crew of the first freighter docking at Port Redwood City.

D.A.V. Plan District Meet

Disabled American Veterans from Santa Cruz, Santa Clara, San Mateo and San Francisco counties will gather at the Veterans' Building at 27 University avenue, Palo Alto, tonight at 7 o'clock for a dinner meeting.

Hosts on this occasion will be Peninsula Chapter 47, D.A.V., it being the local organization's "payoff" to Santa Cruz chapter as a result of the latter's having won, by a margin of three new members, a "membership duel" during the fiscal year ended last June 30.

A similar contest is in progress this year.

Neighboring chapters have been invited in "to make it a real gala occasion," according to O. K. Whittenburg of Redwood City, chapter commander.

The D. A. V. is composed of men whose disabilities are directly traceable to wartime service. Peninsula Chapter is chartered in Menlo Park but meets most often in Palo Alto. Some 30 Redwood City residents belong either to that chapter or to Edmund Parrott Chapter of Burlingame.

The D. A. V. organization also is planning a district meeting for Sunday, October 17, in Oakland.

Record Attendance At Sunday School

A new record for attendance—exactly 200—was set by the First Methodist Episcopal Church Sunday school Sunday on the occasion of "Rally Day." The previous high attendance was 188.

Throughout this month, "Loyalty Days" will find special programs at the church, according to Rev. W. J. Owen, pastor.

Next Sunday is "Women's Day," with a goal of 155 women sought for the 11 a. m. service. The following Sunday is "Men's Day," with a goal of 99 men set. October 24 will be devoted to "Youth Service," and October 31 is designated as "Family Day."

Prune, Cotton, Grape Pickers Are Needed

Two hundred prune pickers, 1000 cotton pickers and 100 wine grape cutters are needed in the central valley region, covering Napa, Woodland, Chico, Madera and Bakersfield, according to information released today by the National Reemployment Service, who said that details of the employment may be secured at the office at 325 B street, San Mateo.

Five Persons Hurt In Bayshore Mishap

Five peninsulans, two of them well-to-do Palo Alto residents, were hospitalized Saturday night following a Bayshore highway crash near Brisbane.

State highway patrolmen reported that the machines of Alexander G. Rhodes, President Hotel, Palo Alto, and Karl Evans, 19, Brisbane, collided, with resultant injuries to Rhodes, who is 67; Mrs. Rhodes, 62; Evans; Forest Kelsey, 17, Brisbane, and Edward Unger, 19, Brisbane. Unger was taken to South San Francisco Hospital; the others to Alemany Hospital, San Francisco.

FALL INJURES MAN'S SKULL

As the result of a fall in Redwood City Saturday night, Otto Buchau, 60, of 438 King street, was in the Community Hospital Monday suffering from a possible skull fracture. His condition was "satisfactory," according to hospital attaches.

Arterial Breach Increase Noted

Drivers who failed to observe stop signs last week were as numerous as speeders, according to the records of Judge Edward I. McAuliffe's traffic court. There were five of each type of offender.

Highway speeders, cited by patrolmen, paid as follows: J. R. Mount of Napa and Maurice Ward of Santa Cruz, $5 apiece, and Louise Hatzmeier of San Francisco and Robert Helm of Stanford, $2.50 each. Robert M. Eitner, for speeding in Redwood City, was also fined $2.50.

Arterial offenders cited by patrolmen were Charles Gehre of Oakland, Charles W. Diel of Redwood City, Jacobus M. Honweling of San Francisco, and Arnold Lussi of Los Altos. William H. Rae was arrested by Redwood City police for this breach, which cost each of the drivers $2.50.

Local overparkers fined $1 each were S. R. Hammett, S. Esnault and Viola Kelly.

GRASS BLAZES PUT OUT

The county fire suppression crew received two late afternoon calls Tuesday, one to Woodside road and Beresford avenue, where they found the Menlo Park fire department already master of a small grass blaze, and one a few minutes later on the Old County road, just outside the Redwood City limits. A few yards of fencing was destroyed by this second fire.

STATEMENT OF THE OWNERSHIP, MANAGEMENT, CIRCULATION, ETC., REQUIRED BY THE ACT OF CONGRESS OF AUGUST 24, 1912

of Redwood City Times-Gazette, published weekly at Redwood City, California, for October 1, 1937.

State of California, County of San Mateo, ss.

Before me, a notary public in and for the State and county aforesaid, personally appeared Sam H. Winklebleck, who, having been duly sworn according to law, deposes and says that he is the business manager of the Redwood City Times-Gazette, and that the following is, to the best of his knowledge and belief, a true statement of the ownership, management (and if a daily paper, the circulation), etc., of the aforesaid publication for the date shown in the above caption required by the Act of August 24, 1912, embodies in section 411 Postal Laws and Regulations, printed on the reverse of this form, to-wit:

1. That the names and addresses of the publisher, editor, managing editor, and business managers are:

Publisher, D. E. O'Keefe of Menlo Park; editor, same; managing editor, none; business manager, Sam H. Winklebleck, Redwood City, Calif.

2. That the owner is: (If owned by a corporation, its name and address must be stated and also immediately thereunder the names and addresses of stockholders owning or holding one per cent or more of total amount of stock. If not owned by a corporation, the names and addresses of the individual owners must be given. If owned by a firm, company, or other unincorporated concern, its name and address, as well as those of each individual member, must be given).

D. E. O'Keefe, Menlo Park, California.

3. That the known bondholders, mortgagees, and other security holders owning or holding 1 per cent or more of total amount of bonds, mortgages, or other securities are: (If there are none, so state). None.

4. That the two paragraphs next above, giving the names of the owners, stockholders, and security holders, if any, contain not only the list of stockholders and security holders as they appear upon the books of the company but also, in cases where the stockholder or security holder appears upon the books of the company as trustee or in any other fiduciary relation, the name of the person or corporation for whom such trustee is acting is given; also that the said two paragraphs contain statements embracing affiant's full knowledge and belief as to the circumstances and conditions under which the stockholders and security holders who do not appear upon the books of the company as trustees, hold stock and securities in a capacity other than that of bona fide owner; and this affiant has no reason to believe that any other person, association or corporation has any interest direct or indirect in the said stock, bonds or other securities than as so stated by him.

5. That the average number of copies of each issue of this publication sold or distributed through the mails or otherwise to paid subscribers during the six months preceding the date shown above is (This information is required from daily publications only).

SAM H. WINKLEBLECK,
Business Manager.

Sworn to and subscribed before me this 1st day of October, 1937.

(Seal) GEORGE A. McQUEEN,
Notary Public in and for County of San Mateo, State of California.

My commission expires August 22, 1938.

NEWSPAPERS ASSURE

YOUR SAFETY IN BUYING!

Before there were newspapers, buying was a game of wits! Prices paid by the consumer were the result of bargaining with the seller. There was no standard of value and the ideal of service did not exist.

The merchant whose advertisement you see in this paper is honestly offering you honest value at an honest price. He is honest because he wants to be and honest because he has to be. Only the enterprise which intends to be fair can afford to expose itself publicly in its community.

Thousands of dollars of advertising revenue are refused annually by this newspaper because the propositions which they represent cannot be considered beneficial to your welfare.

In the advertisements in this newspaper you have a buying guide of known worth and reliability. Here merchants and manufacturers spread the news of their best. Here you can consider and compare. You can save yourself many hours of diligent search for merchandise which you desire to buy wisely.

Your newspaper is a vital part of your life and the life of your community. It brings you the current history of your time and safeguards the social order in which you live. Yet it costs you only a few pennies per day.

Stop and consider why you should appreciate it as the greatest single factor in your daily life.

NEWSPAPER WEEK — CALIFORNIA NEWSPAPER PUBLISHERS ASSN. INC. — OCTOBER 4-10

Million Dollar Highway Plans Meet Approval

Serra Road Extension On New Alignment To Be Divided

A $1,000,000 model highway bisecting the county between El Camino Real and Skyline boulevard—

Built with the latest safety construction, the highway's north and southbound traffic separated by a dividing strip—

With the highway running in hillside districts in two levels that will bring economies in road construction and heighten the novelty and scenic beauty of the new boulevard—

This was the picture today of the proposed extension of Junipero Serra boulevard from its present terminus just south of Lawndale to the northerly Burlingame city line.

WEST OF ORIGINAL ROUTE

It was a picture that took shape as the directors of highway district No. 10 met Tuesday in San Francisco and approved the state's alignment of the new road.

This alignment will bring the highway far to the west of the originally proposed route and will cause its construction to do minimum damage to the golf and country clubs whose fairways and greens it will skirt.

New terminus of the extension will be just west of the Burlingame city reservoir. The road will traverse the upper end of El Camino Golf Club and the Millbrae Country Club, but will miss the California Golf Club at Baden, according to Supervisor James S. James, the county's representative on the district board.

LATEST IDEAS

The idea of the divided highway is the latest development in safety construction of roads, according to Supervisor James.

The dividing strip will be at least 10 feet wide, starting from the Lawndale end of Junipero Serra, and will vary in width from there south, depending on the construction needs, the supervisors reported.

This construction will require purchase of additional rights-of-way, James declared, but has been found to be a heavy factor in the elimination of highway fatalities. Not only does shrubbery planted on the strip cut down headlight glare, but the chances of headon crashes are practically eliminated.

PLANS APPROVED

Supervisor James said that as detailed plans for each section of the highway are drawn and approved, rights-of-way sufficient to take care of the new construction will be purchased.

Cost of the highway under its new alignment will be slightly less than $1,000,000, James said the state engineers had estimated. Construction costs are to be paid partly by the state, which has already put up $76,000, and partly by the district.

James said that the new road, according to present plans, will be built in units, the first reaching Sneath lane, San Bruno, and the second to Ralston avenue, Hillsborough.

Further extension of the proposed thoroughfare to the Santa Clara county line will require formation of a new highway district.

Drink Water, Film Tells McKinleyites

Through arrangements by Superintendent of Schools Andrew Spinas, a "two-reel picture, "Drinking Health," depicting that the drinking of water is necessary for health, was presented Tuesday at McKinley Intermediate School.

The McKinley pupils learned from the film that the body is 75 per cent water, its remaining composition consisting of various minerals. Rivers, dams and lakes that provide water, the circulation of the blood through the human system, the different kinds of disease germs found on public drinking glasses, improper cleaning of glasses in many public restaurants and soda fountains and the necessity for the use of individual paper cups in public drinking places were other subjects dealt with in the motion picture.

1938 GAS RANGE
-it has Style Rhythm

Everything you could ask for in a kitchen range that is truly modern you'll find in the advance 1938 model Gas Range now being displayed everywhere this week. Officers Named For Initiation

The officers selected from the past worthy presidents of the San Mateo county aeries, Fraternal Order of Eagles, for the county initiation in honor of Eagle State President William B. Hornblower, to be held in Redwood City tonight, have been announced.

The officers, the aeries each represents, and the station each will hold, are as follows: Joseph F. O'Malley of Burlingame, junior past worthy president; Edmund Scott, Redwood City, worthy president; William P. Bolger, Daly City, worthy vice president; Frank Pease, San Mateo, worthy chaplain, and Peter Mose, South San Francisco, worthy conductor.

Probably one of the largest classes of candidates to be initiated in the county will gather at Redwood City from the Eagle fraternities of Daly City, South San Francisco, Burlingame, San Mateo and Redwood City. Redwood City Aerie will have approximately 20 candidates for the class.

A large number of San Mateo county dignitaries who are members of the Eagles, will attend. They include Supervisor Hugh H. Smith, Assemblyman Harrison W. Call, Tax Collector A. McSweeney, Controller E. M. Stack, Sheriff J. J. McGrath, Coroner William Crosby, Judge A. R. Cotton, Supervisor John H. Poole, Judge Edward J. Ryan, Chief of Police C. L. Collins, Councilmen George W. McNulty, James M. Eva, E. A. Fletcher and Louis C. Christensen of Redwood City.

Abandoned Clothing Presents Mystery

The county sheriff's office was faced with a mystery Monday when P. T. Burns, Millbrae typewriter salesman, reported the discovery in a heavily wooded canyon back of Millbrae of a complete outfit of women's clothing.

He reported he had found a brown overcoat, gray hat and gray suit, the latter with the front slashed as if with a dagger. The clothes had no blood stains on them. Deputy Sheriff Adolph Waldeck was detailed to investigate the case.

Mt. Kamat, in the Himalaya Mountains, is the highest summit ever climbed by man.

LEGAL

NOTICE OF HEARING PETITION TO MORTGAGE PROPERTY OF ESTATE.
No. 7465

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN MATEO.

In the Matter of the Estate of SANTE ARCANGELI, Deceased.

NOTICE is hereby given that Louise Benedetti, executrix of the said estate, has filed herein her verified petition praying for an order authorizing the mortgaging of the real estate hereinafter described; and that Monday the 18th day of October, 1937, at 10 o'clock A. M., of said day, at the courtroom of department No. 1 of said court, in the city of Redwood City, county of San Mateo, state of California, has been set for the hearing of said petition, and all persons interested are hereby notified to appear at the time and place set for said hearing and show cause, if any they have, why the order should not be made.

Reference is hereby made to the said petition for further particulars as to the terms and conditions of the proposed mortgage.

Said real estate is described as follows, to wit:

"BEGINNING at a point on the Westerly line of San Gregorio Street, or County Road in the Town of Pescadero, distant thereon 632.4 feet Northerly from the Northerly line of the County Road leading from Pescadero to Santa Cruz, being also the point of intersection of said line of San Gregorio Street with the dividing line between Lots 16 and 17, of the Map of Pescadero, thence from said point of beginning South 0° 56' East along said line of San Gregorio Street 50 feet, thence leaving said line South 89° 25' West 260 feet, more or less to the center line of Pescadero Creek; thence Northerly along said Creek to the Southwesterly corner of Lot 16 above mentioned, and thence along the Southerly line of said Lot, North 89° 25', East 251.6 feet to the point of beginning.

"Being the Northerly one-half of Lot 17 of the Town of Pescadero and being also the same property conveyed by C. H. Widemann et ux to Manuel Baptista et ux by deed recorded August 12, 1924, in Volume 129 of Official Records at page 188."

Dated: October 7, 1937.

E. B. HINMAN,
(SEAL) Clerk,
MURA B. STILLESON,
Deputy Clerk.

CHINESE merchants employ firefly catchers, who do nothing else during the summer months. Experts catch as many as three thousand of the insects in a single night. Besides being used in medicines, fireflies also furnish a grease, which is used by oriental woodworkers, for hardening bamboo.

Fuller Plans Speed Flight to Salt Lake

Frank W. Fuller Jr., peninsula flyer, winner of the 1937 Bendix Air Derby and holder of the all-time speed record between Burbank, Cal., and Cleveland, will attempt on Sunday to set a new speed record from San Francisco to Salt Lake City. He will make the flight in connection with the dedication of the new Salt Lake airport, it was announced.

Love, Former Police Chief, Paid Tribute

MENLO PARK, Oct. 5.—Last rites were held this morning from the Tinney Funeral Home at Palo Alto for Frank Love, 46, one-time police chief of Menlo Park, not former fire chief as reported yesterday.

Mr. Love, who was 46, succumbed suddenly Sunday night at his home at 1025 Middle avenue of a heart attack. He is survived by his wife, three daughters and a sister.

FETE COMMITTEE COMES THROUGH!

Check for $552 Returned to City Council

BANTERING PRECEDES COMPLIMENTS

'Mid bouquets and banter, the City of Redwood City was reimbursed to the extent of $552.04 by the Harbor Opening Festival committee Monday night.

Appearing before the city council were four members of the committee: Chairman Frank A. De Patta, Finance Chairman C. G. Lambert, Treasurer James P. Hagan, and Secretary R. E. O'Connell Jr.

O'Connell turned over the records of the committee to the city, after De Patta had introduced him, then Lambert, also presented by De Patta, handed over the check, made out by Hagan.

Responding for the council, Mayor Paul A. McCarthy opined that "it is most extraordinary for any citizen to bring in money unsolicited."

"Well, as a matter of fact," responded Lambert, himself a former mayor, "if I told the truth, I might say that I am surprised myself."

Becoming serious, Mayor McCarthy commended the "responsible committee" for so conducting the affairs of the festival as to be able to return more than half the city's $1000 contribution, and declared that the group handling the celebration was "one of the most zealous and intelligent groups in the city."

"I am still hearing favorable remarks in San Francisco over the festival," McCarthy added, then concluded, addressing De Patta:

"You and your committee are entitled to the commendation of the council and the citizens we represent."

Canning Will Head Scholarship Group

As the Sequoia high school chapter of the California Scholarship Federation convened for its first meeting of the year Tuesday afternoon, James Canning was elected by the members as president for the current term. Serving with him will be Ruth Myers, vice president; Barney Olsen, secretary, and Walter Moore, treasurer.

Business transacted besides the election included the making of plans for several members to attend a scholarship federation conference in San Francisco on Saturday and plans to present an assembly program at Sequoia during the year.

"Dick's Folly" is an abandoned, half-finished mansion across the Hudson river from West Point.

Chamber Favors Chest, Declines Power Vote Side

The board of directors of Redwood City's chamber of commerce was on record today as favoring the Exchange Club-sponsored move for creation of a Redwood City Community Chest, but declined to take sides in the power bond issue up before the voters November 2.

Following a discussion on the question of purchasing Pacific Gas and Electric Company power distribution facilities, the board decided that it "should not presume to act for the general membership of the chamber in a matter so controversial," according to Sec.-Mgr. Roscoe D. Wyatt.

Joseph Territo, newest member of the board, was named chamber representative on the city-wide committee which will study the proposal to create a community chest.

The board also endorsed the plan to route the Roosevelt Highway, U. S. No. 6, over U. S. 101 and the Bayshore, as requested in a communication from the Merced Chamber of Commerce.

A delegate will be selected later to attend the State Chamber of Commerce gathering in Los Angeles October 28 and 29.

GOES TO JAIL ON CHARGE

Frank P. Smithers, San Francisco brewery bottler, began serving a 25-day sentence in the county jail today following conviction in the Daly City court of Judge Wade H. Clay on charges of drunken driving. He was given the alternative of paying a $50 fine, but was unable to raise the money.

FREE SAMPLE PROVES IT!
Here's a remarkable new and different way to hold false teeth. Not a powder — won't spill or cause mess. You need use it only once a day — or even less. Enables you to eat such foods as steak, bread and corn. Even tiny poppy and berry seeds are effectively kept out. A godsend for lowers.
This new discovery is called STAZE. Send today for FREE sample, or ask your druggist for STAZE — try it — if you are not delighted, your money will be cheerfully refunded. For sample, write The Phillips & Benjamin Co., Dept. 10, Waterbury, Conn.
ON SALE AT ALL ECONOMY DRUG STORES

Conceals WHILE IT HEALS
Covermark SPOT-STIK conceals blemishes instantly with a healing protective film. Carry a Spot-Stik in your purse *always* and be prepared for every complexion emergency. Don't wait until an unexpected blemish blights a lovely evening. Get *your* Spot-Stik *today!* For larger blemishes use Covermark CREAM. A perfect makeup foundation, too! (8 shades)
